Frequently Asked Questions

HOW LONG DOES IT TAKE TO MAKE MY PHOTOBOOK?

All of our PhotoBook projects are unique and the time to completion varies. From beginning to end, most books will take about 8-12 weeks to complete.

WHY SO LONG TO FINISH?

Reviewing and editing makes up most of the process. Most clients will make many changes to the books as it progresses. If you are strapped for time, keep it simple... limit photo descriptions and minimize photo placement changes. There may also be additional fees associated with rushed projects.

WHAT IF I DON'T HAVE 100 PHOTOS?

This package is best for those with 75-100 photos. For those wanting a book with less than 75 photos, we recommend creating your book a la carte.

WHAT IF MY BOOK IS OVER 35 PAGES?

Each page over the 35 is \$2.00 each. We will stay within the 35 pages unless you choose to make changes that extend the length of the book.

CAN I MAKE A HARD COVER BOOK INSTEAD?

In most cases, a hard cover is available for an additional cost. Hard covers are only available on certain sizes and lengths of books.

CAN I ORDER ADDITIONAL BOOKS?

Yes. Additional books can be ordered at a discounted rate.

ARE THERE ANY ADDITIONAL COSTS?

The 5% MA Sales Tax is not included in the package price. Standard shipping is included.

Our PhotoBooks

Our custom-designed photobooks are a great way to safely view and share your memories. Many of our families prefer to compile their photos into a 'family album' then distribute copies of the book(s) and archival disc to everyone.

All photos are scanned on the premises, not sent out of the country. Our photobooks are designed in-house and then professionally printed and bound. Most sizes and styles have a soft-cover and hard-cover option.

If you prefer to design your own scrapbook album, we can scan your completed pages and create professionally printed duplicates for your loved ones.
